

Experience Compassionate Accountability in action through Nate's transparent conversations with these inspiring leaders featured in the book.

Exclusive private Q&A for book purchasers immediately following.

"We need leaders who can balance peacekeeping with truth speaking."

- Rob McKenna, Founder, WiLD Leaders

The pendulum of compassion will continue to swing from one end to the other until we recognize that building connection and getting results aren't mutually exclusive.

"Don't deny or judge your own feelings. Make peace with what's going on within you before you respond to the warring outside of you."

- Gloria Cotton, Sr. Partner, inQUEST Consulting

How do we keep our own Compassion Mindset activated when we are triggered, when we feel our values are challenged and judged or are experiencing repeated historic and current injustices?
