

Coach Certification

Is This Right For You?

- ☑ I am a professional coach, certified by an accredited coaching organization.
- ☑ Compassionate Accountability® (CA) will enhance my coaching work.
- ☑ I want to introduce CA to my coaching clients.
- ☑ I have a plan for growing CA as part of my coaching business.

How Your Clients Will Benefit

- Gain self-awareness around CA skills and resilience to drama.
- Guided self-reflection and self-management exercises.
- Targeted goal-setting for personal and professional development.

How You Will Benefit

- Gain clarity on where support is most needed.
- Measure critical behaviors contributing to resilience, well-being, and leadership effectiveness.
- Anticipate traps and blind spots.
- Increase accountability.

Certification Path

Activate The Mindset

Take our 20-min self-guided e-course on your own time to **experience the first part of our framework**, the Mindset that sets the stage for what's next.

Complete Pre-Requisite Course

Complete our six-hour, virtual, instructor-led pre-requisite course, Compassionate Accountability - Leading Out of Drama: Core Concepts, to learn the foundational concepts for coaching CA. Enroll for \$650 online and find dates that work for you. This course is pre-approved for 7 ICF CCE credits.

Get Certified

Complete our **five-hour, virtual, instructor-led certification**, which includes a content knowledge test, training on how to order and **use the Compassion Insights Report (CIR)** in coaching, and signing a license. Enroll for \$1500 and find dates that work for you. Certification fee includes a \$500 credit you can use towards CIR purchases.

How We Support You

- ☑ Unlimited help with CIR-related questions and tech support.
- ☑ Marketing and branding resources.
- ☑ Virtual forums and product updates.
- ☑ Professional development opportunities.

Performance and Professional Development Requirements

Staying active is critical to maintaining skill. Coaches are required to purchase a minimum of \$500 in materials per year, billed annually.

Materials Available to CA Coaches

Compassion Insights Report (CIR): Help your clients gain insight into their compassion skills, drama risks, and resilience to drama. This comprehensive profile includes assessment results along with interpretive guides, reflection questions, and application activities. The CIR puts your client in charge of their own learning and discovery and offers a tool to empower the coaching, mentoring, or mediation relationship. \$75 USD

** CA Coaching Materials are only to be used in a one-on-one coaching, mentoring, or mediation relationship, not for group training. If you are interested in training others in CA skills, contact us to learn about the CA Trainer Certification.*
