

Facilitator Certification

This certification provides quick access to our signature Compassionate Accountability® (CA) course, The Compassion Mindset®, and provides organizations an efficient way to bring CA to their clients. This certification is not available for independent professionals.

Certification Path

Get Certified

Get certified with a **six-hour** virtual, instructor-led certification coupled with self-paced review of materials and application work, planned around your schedule.

Start Training

Use our online portal to easily create training groups, order assessments, and get The Compassion Mindset course materials for your participants.

Licensing

There are two licensing options to accompany your certification depending on your situation:

- Training organizations serving external clients.
- Organizations serving internal clients.

How We Support You

- ☑ Unlimited help with training-related questions and tech support.
- ☑ Resources to assist with internal promotion.
- ☑ Volume pricing discounts on materials.
- ☑ Virtual forums, product updates.
- ☑ Professional development opportunities.

Materials Available to CA Facilitators

The Compassion Mindset: Our flagship course introduces three foundational components of Compassionate Accountability: the Mindset, Skillset, and Communication Template, and includes personalized results from the Compassionate Accountability Assessment. This course can be taught in 3-4 hours and is the foundation for organization-wide implementation. Follow up with the Leader's Application Packs to create a comprehensive leadership program for mid-level managers.
